About Keep California Beautiful (KCB)

Keep California Beautiful is a nonprofit organization dedicated to alternative waste management, beautification, community networking and outreach. KCB additionally functions as an umbrella organization that initiates and networks local affiliates in communities across California. For more information, visit keepcabeautiful.org.

About Keep America Beautiful (KAB)

Keep America Beautiful is a national nonprofit which inspires and educates people to take action every day to improve and beautify their community environment. Established in 1953, KAB provides the expertise, programs and resources to help people end littering in America, improve recycling in America, and beautify America's communities. The organization is driven by the work of more than 600 community-based affiliates, millions of volunteers, and the support of corporate partners, municipalities, elected officials, and individuals. To learn how you can donate or take action, visit kab.org.
