### 29th Annual Sacramento County Creek Week

We need your help NOW to make Creek Week 2019 successful!

Your sponsorship **engages tens of thousands of citizens** throughout the Sacramento region in our week-long event.

- We improve our community through creek stewardship and trash cleanup; and
- We learn about creek ecosystems.

We can meet and exceed the 2018 Creek Week accomplishments, but it will **only be possible with the generous contributions** of our sponsors.

*Your support is appreciated and provides opportunities for young and old to demonstrate environmental stewardship. Stand out as a leader and enjoy direct contact with customers!*

### Creek Week takes pride in its tradition

Creek Week is a regional institution mobilizing **volunteers from Folsom to the Sacramento Delta**. Over 29 years, Creek Week has provided public education and stewardship opportunities for families, youth groups, and do-gooders in the community. The extraordinary efforts of Creek Week volunteers have removed hundreds of tons of trash from creeks and increased flood safety by improving storm water conveyance.

Volunteers also remove invasive nonnative plants that choke local waterways. Others collect meaningful data as Citizen Scientists.
